

Cherry Class February 2020 Newsletter

Dear Parents,

Time flies so fast and it's already February. It's also the month of Love. Let's show to our loved ones that we care and appreciate them everyday. Let us all spread the love to everyone.

This month we will continue with our lessons (Alphabets, Colors, Numbers, and Shapes...). We will also be doing crafts related to Valentine's Day and anything to do with love.

We will be having our last P.T.A for this month to talk about the progress of the children, and their schedules for moving-up.

I want to remind the parents that the flu season is still on, to prevent widespread flu in our school we recommend that your child should stay at home and once they fully recovered, we would be happy to have them back.

Thank you again.
