MARCH NEWSLETTER

This is the last month for this school year and soon some Cherry kids will be moving-up to Apple class. They will be learning new and fun things with their friends . But before we end the school year we still have this month to enjoy learning . We still have few more letters and shape to study. We will still have review lessons we've learned this school year, and practice our small presentation for Recognition Day, and also just enjoy our last month together.

We are much honored to be a part of your child's early education this past year and we are grateful for the trust and confidence you have given us. We would surely miss all of them.

Thank you again,

Ms. Bhabie
