

## CHERRY CLASS

APRIL 2020  
NEWSLETTER

Dear Parents,

Welcome to the 2020 – 2021 School year of fun and learning!

We are counting on you to make this your best year at Tokyo Hikarigaoka International Preschool. For those of you returning to our school we are glad to have you back as you continue your journey to the graduation stage. For those new student who are just joining our school we encourage you to make most of your time here.

Spring is the beginning of new things which also means the start of new lessons in Cherry Class as the first semester begins. We are going to learn new things from songs, alphabets, numbers, shapes and colors, we will also be doing crafts related to our month's theme in order to develop the children's imagination and motor skills.

This New Semester will be great one! Rest assured that your child will learn all the basics that they need in order for them to communicate in English with their friends and teachers.
