May 2020 Newsletter

Dear Parents and children,

Since April we couldn't start our class as usual because of the COVID19. Sadly for our Golden Week too, but I hope that you spent your time with all your family, even under those circumstances.

This month will be about the letters D/E and F. Review our numbers 1 to 10 and learn new songs. I will make a video soon for be able to do it with your kids at home.

Of course if you can practice how to trace and color nicely it can be nice for when we will start our classes.

It was Mother's Day on May 10h. Happy Mother's Day even if I am late.

This month, we supposed to have Sports Day, but we can't at the moment. I just hope that we will be able to organize it later this year.

I can't wait to start our class soon, and be able to meet all my new students, and of course parents too.

If you have some questions or concerns, please be welcome to ask us.

See you soon!

Thank You,

*Mr. Charles
Ms. Ayako*

Songs for May

Spring is Here !

Spring is here. Spring is here.
How do you think I know?
I just saw a bluebird.
That is how I know.
Spring is here. Spring is here.
How do you think we know?
We just saw a bluebird that is how we know.
Do the bird walk and strut your thing.
Do the bird walk and flap your wings.
Do the bird walk do anything and look
around for another sign of spring. *Bee /

Five Little Ducks

Five little ducks went out one day,
over the hill and far away.
Mother duck said, "Quack, quack, quack, quack." But
only four little ducks came back.
Quack, quack, quack, quack, quack, quack. But only
four little ducks came back.
Count Until None.
Sad mother duck went out one day, over the hill and far
away. The sad mother duck said, "Quack, quack,
quack." And all of the five little ducks came back.
Quack, quack, quack, quack, quack, quack. And all of
the five little ducks came back.
