

CHERRY CLASS

MAY 2020
NEWSLETTER

Dear Parents,

Hello everyone! It is almost the second month of our school year! Sadly to say, we can't see all of our friends in school because of the Covid-19 Pandemic, and while staying at home I hope everyone had time to study and enjoy our school homework. Have a safe Golden week holiday.

Our school will still be open for Cherry Class who wants to come to School. We remind everyone to put mask whenever you go out, and if your child is having a fever, cough or cold its better for the child to stay at home. This is a precaution for everyone to maintain our safety and we are hoping for your kind consideration.

We will continue learning more alphabets and counting this month and we will also be doing some crafts. We are looking forward for everyone who will come this month.

Our Sports Day is postponed due to the pandemic. This month of May is were we celebrate our Mother's Day and we would like to extend our appreciation and love to our beautiful, brave and powerful Mothers all around the world who have sacrifice many things for our children's well being, Thank You And You are our hero!
