

## Cherry Class

**June 2020  
Newsletter**

Dear Parents,

June is the beginning of rainy and summer seasons and this will also be the beginning of our normal class. We are so excited to see all of our friends and have fun learning English together. See you! I hope everyone is safe and healthy!

To start off, This month is the celebration of Father's Day, let us show our love and appreciation to all the fathers who have loved, guided and supported their children as they grow. Our father is truly a hero!

We are going to continue our lessons and we'll also be doing some crafts. We are going to have a review for the students who did not attend our class from the past few months. We are going to sing and dance and have fun with everyone!

We also want to welcome our new friends in Cherry Class since it is their first time in our School. Since the Pandemic is still here, we our much focus on the health and safety of our students, so in our school blog we posted there about our new routine before we start our classes, please be guided and check it everyday. Thank you for supporting and trusting us! God bless us all!
