

CHERRY CLASS

NEWSLETTER
JULY 2020

Dear Parents,

Rainy seasons will soon be over and the weather will be hot and humid. This month of July is summertime and going to the park will be too hot for the kids. We will let them play outside with water and for quite sometime we will not going to use the pool since the safety of our student is prioritized. We will going to use the face shield as protection as they play with water. Please be remind to bring a pair of swim wear.

We will continue our lesson in Alphabet, shapes, numbers, and colors and we will also do a few review about the things we learned this semester. We are going to make a creative Tanabata craft as we celebrate its day. The Tanabata is one of Japan's tradition wherein we get to write our wishes on a paper and hang it on a bamboo branch. We are also going to make summer craft. Kids is going to enjoy these activities.

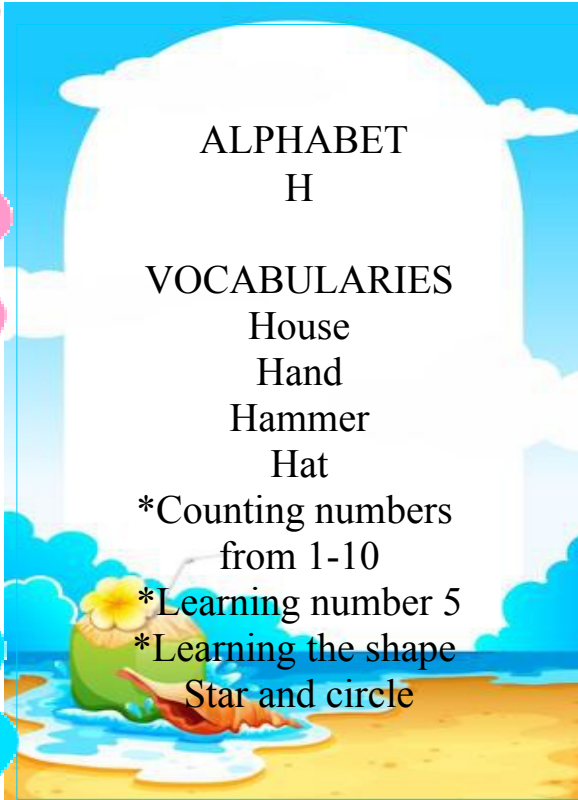

We would like to thank the parents who gave us time and effort in attending our PTA meeting, it was nice to talk with you about your children. Our Cherry Class have improved a lot since they just started last month and we are looking forward for more improvement.

Stay safe and healthy! Let's embrace and enjoy this summer season.
