October 2020

Dear Parents,

It's the month of Spooky! And it's the beginning of all our exciting events. To start off, We are going to have our "Sports Day", kids are going to have fun participating in the activities together with their parents. The kids will have the chance to bond and have fun with their teachers, friends and as well as their parents.

Next, We are going to celebrate Halloween, we are going to have a parade at the park where all the children can wear their favorite costumes and parents can also wear their own costumes and the kids will do their Halloween dance. Sad to say, we cannot do the trick – or – treating because of the Covid – 19 but we can assure you that your child is going to have fun and enjoy this event.

We will still continue our lesson in Alphabets, numbers, shapes, and we will do some spooky crafts that your kids will surely enjoy.

We also want to welcome our new friends, Maya and Rihito! Let's have fun and enjoy learning English together!
