

**APPLE CLASS NEWSLETTER**  
**NOVEMBER 2020**

Dear Parents,

First Thank you so much to all of you for joining both of our events (Sport's Day and Halloween Parade). Everyone had such a great time despite this COVID19's situation. I started to recruit new Pilates members from Apple Class, so if you are interested and or need more information, please don't hesitate to ask us.

Autumn is already there and temperatures getting fresher, so please bring a jacket/cardigan/sweater for your kids as we still going to park.

This month, we gonna practice 3 new letters S/T/U and talk more about Thanksgiving as it is important to be thankful for all the blessings with received.

We will practice more questions during our Chat Time and learn more vocabularies too.

For them to speak and express themselves more in English not only during classes but as well at home or with friends.

We will hold as well our P.T.A this month, please put your name on the paper at the entrance door.

As usual Thank you very much for your understanding and comprehension.

Mr. Charles  
Ms. Ayako
