

Melon Class

(November _ Newsletter)

I hope everyone had fun at the Halloween Party. I had a good time and I was very proud of the great dances and songs that Melon Class did!

It is now November and the weather is getting cooler and cooler. This month our class theme will be Fall and Thanksgiving.

To support our theme

At school-

We will do Fall and Thanksgiving crafts. We will also learn about seasonal food and of course do cooking!

At home-

Lets remind our children that there are so many things we should be thankful for, specially the food we eat. I often tell Melon Class at lunch, 'your mommy's worked hard to make your delicious lunches so let's enjoy eating them'.

November Learning Activities

Conversation- Simple conversation phrases and explaining why we like things.

Language- Continuing with self-introductions. Everyday saying something we're thankful for. For example 'I'm thankful for farmers because they grew the apple I am eating'.

Phonics- 'Jolly Phonics' method of acting out phonics sounds.

We're going to do more work with connecting sounds into short words.

Math- Writing numbers, counting, patterns, simple calculations.

Writing- We're going to regularly practice writing our first and last names and also the names of our friends.

Social skills- How to be confident and respectful students.

Your cooperation towards my class and me appreciated as always.

Best Regards
Ms. Chanchan
