The winter Pokey

You put your right mitten in, you take your right mitten out
You put your right mitten in, then you shake it all about .
You do the winter pokey and you turn yourself around.
That's what it's all about.

You put your left mitten in, you take your left mitten out
You put your left mitten in, then you shake it all about.
You do the winter pokey and you turn yourself around.
That's what it's all about.

Old snowman

Out in the yard I saw a snowman who was cold as cold could be,
I gave him a hat & bright red scarf but he still looked cold to me.
So I build a big bonfire to last through the night but in the
morning he was nowhere in sight!

Building a house

I'm going to build a little house with windows big and bright
With chimney tall and curling smoke, drifting out of sight.
In winter when the snowflakes fall or when I hear a storm,
I will go inside my little house and I will be safe and warm.

The house

(The farmer in the Dell)

let's go in the house,lets go in the house, it's time to go home
let's go in the house.

It's dinner time, it's dinner time, let's go to the kitchen and cook
