

CHERRY CLASS

**March 2021
Newsletter**

Dear Parents,

This is the last month for this school year and soon some Cherry kids will be moving up to Apple Class. They will be learning new and fun things and speak more English with friends. We are much honored to be a part of your child early education this past years and we are grateful for the trust and confidence you have given to us.

Before they move up to Apple Class we still had a few more weeks to enjoy learning English together. We will finish our last alphabet for this month and review all the numbers, colors, shapes and alphabets that we have studied. We will also be doing crafts to make this month.

This School year our Moving Up Ceremony/ Recognition Day was canceled due to Covid19 but we are going to have a class viewing for the parents of our Cherry kids who will move up to Apple Class. We are looking forward to the parents to see their kids improved a lot and did their best to study and learn English.

Thank you for your continued support and trust to our school and see you this next school year 2021 -2022. Keep Safe and God bless.
