The class theme for April will be spring. Even though the weather has been a little cold recently we have been enjoying Cherry Blossoms parties and that means spring is finally here! This month we will be talking about the new insects, plants and flowers we see in spring. April is also for Easter and we will do Easter Egg Hunting in the park.

To support our theme-

At school-We will do a lot of activities related to Spring and Easter.

At home- Talk to your child about the new plants and all the green around us.

The Weather Song(sung to : Twinkle Twinkle)

Weather,weather,what will it be
Is the sun out or will it rain on me.
It could snow or be windy too. The sky might be cloudy or
bright blue.
Weather, weather what will it be,
Is the sun out or will it rain on me.

Spring Song(sung to :The farmer in the dell)

The sun is shining bright
The sun is shining bright
Oh how I love the warmth
The sun is shining bright .
The rain is falling down,the rain is falling down.
How I love the sound,the rain is falling down.
The flowers start to bloom, the flowers start to bloom,
Oh! how I love the sight,the flowers start to bloom.

Kites

One little kite,up in the blue,
Along came another ,then there were two.
Two little kites,over the tree,
Along came another then there were three.
Three little kites,watch them soar.
Along came another,then there were four.
Four little kites,they act so alive,
Next came the last one,and there were five.
