

April

Dear Parents,

Welcome to Apple Class!

The beautiful cherry blossom are starting to fall, and we are so glad that we can enjoy this wonderful spring and enjoy the happy weather and nature.

Welcome! Here are our new Apple Class friends:

Rena
Keisei

Tsumugi
Kei

Akito
Anne

In their very first month in Apple class, they're going to learn a lot of new things. Starting from learning how to write the first three letters of the alphabets and numbers 1,2 and 3, they will also going to learn how to trace their first name. They will learn how to say the sounds of the letters (Phonics), learn new vocabularies and practice counting from 1-10.

In Apple Class, we encourage the children to do many things on their own, such as changing their shoes, asking for water, preparing for lunch, going to toilet by themselves...

Ms. Ayako and I will be supporting each and everyone of them throughout the whole year.

And Please bring your child's own crayon, 11 colors to be exact. Thank you! :)

We're going to have a lot of fun this year! Let's get started by getting to know each other well, and make new friends!

Hello everyone! My name is Ms. Angelica, you can call me Ms. Ange. I am the new teacher in Apple Class. This is my first time teaching in this class, I hope we can get along as we assist your child's education and I'm very glad to be their teacher in this year. Thank you for trusting us and our school in your child's Education.
