

May - Newsletter

Dear parents

I hope that everyone is fine and having a safe Golden Week. It will be great to see the kids back in our classes from the 6th May.

Themes for the month-

Nature will be the focus of our next curriculum unit. Children will learn different aspect of nature. We will learn about our own plants, how they grow, and what their parts are. We will also learn how we get rain. Besides learning this, they will continue learning phonics, alphabet writing, math.

Mother is the most wonderful creation of God. It takes a great deal of effort, patience and energy to be a mother. Let's take an opportunity to thank all the wonderful mothers on 'Mother's Day'. 'I love you Mom and thank you for all that you have done for us.

The weather is warming up and we will take advantage of this nice weather by studying about the seasonal flowers, fruits, vegetables etc. The children will explore the beauty of nature and will try to put it down on paper by drawing flowers, trees.

On the 28th May (Friday) we will have our 'Sports Day' .

If you have any concerns or quarries please feel free to contact me anytime. Your co-operation is always appreciated.

Best Regards
Ms. Chanchan
