

June

Dear Parents,

It's the month of rainy days! We reminded everybody to bring umbrella or raincoats during these days and park time maybe lessen because of the weather.

This month is going to be busy, Apple kids are starting to get used to the class, they behave well, they're more focused on their classwork, they also getting better to write with crayons. They improved a lot from these past few months. It's not also tiresome to us every lunch time, they prepare and eat by themselves now. Please always remind your children that they are fantastic and did a very great job at school.

We are going to have a Parent-teacher meeting on the 4th week (June 21st - 25th) where we will discuss many things about your child individually. Sign up sheets will be available soon and we're going to display it on the front door, feel free to discuss and question us about your child. Thank you!

We want to express our gratitude and appreciation to our great father's out there who are brave and awesome, Wishing you a Happy Fathers Day! You are our true hero! We are also going to celebrate our friend who's turning 4 this month!
