July

Dear Parents,

Summer is almost here!
The first semester is almost ending,
And I am so proud of everyone's effort and growths!

I would like to thank the parents for attending our PTA meeting last month and I am so glad that we could share thoughts about your children's development. This month is going to be so hot and as of that, we cannot go to the park that often but we are going to have a small pool so that the kids can have fun. As for the safety of the kids we would like everyone to bring their own face shield or mask so that even in pool they can have protection away from the virus. Be sure to bring towels, swim suits and extra clothes too!

We are going to have an Ocean Day on 19th and on this day we don't have a class.

As we celebrate the Star Festival Day or the Tanabata we are going to make a craft and during this time we will start using scissors, it is the first time for apple kids to hold a scissors and I will assess them to make sure they won't hurt themselves.

Our last day is on the 20th and we will start our regular class on September 2nd. Wishing you to have a great summer vacation!
