Dear Parents,

It's October! We are starting to feel a little bit of cool breeze outside. Autumn is going to fall this month! Were leaves are falling and turns into colors like red, orange, yellow, purple and, brown! We are going to have an exciting event to be done this month! It will be the Halloween Parade on 22nd. Kids are going to be busy as they practice their songs, poems and, dance. Apple class are so excited to wear their favorite costumes and trick or treating. I can't wait to see them!

We will study the different kinds of feelings and some simple opposite words (Antonyms). We will continue our lessons on Phonics and Numbers. Kids are starting to remember some of the letters sound little by little. We're going to make crafts that are related to Halloween.

### The Five little Pumpkins (Poem)

The five little pumpkins,  
Sitting on a tree,  
The first one said, "Oh no! It's getting  
late!"

The second one said, "There are  
witches in the sky!"

The third one said, "But we don't  
care."

The fourth one said, " Let's turn and  
run!"

The fifth one said, "It's Halloween fun!"  
"Oooooo", went the wind.  
And out went the lights.  
And the five little pumpkins rolled out  
sight.
