October 2021

Dear Parents,

Thank you for coming to watch the children's mini show of Hawaiian and the short play. I hope you all enjoyed our little performers.

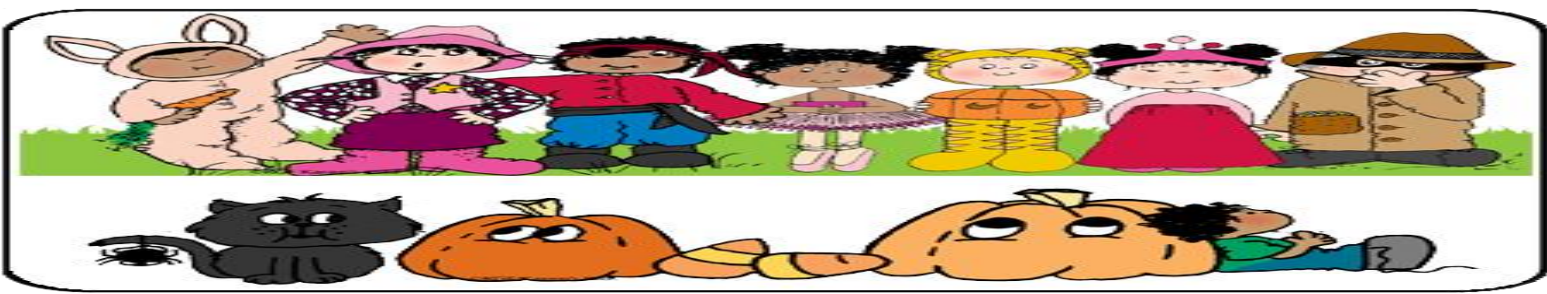

It's October! This month we will have an exciting event, Halloween Parade. This is the event wherein everyone can enjoy, not only the children but the parents as well. I know the children are looking forward to having the Halloween Parade where they can wear their favorite costumes. We are also encouraging the parents to wear costumes too, who knows you might be chosen as one of the best in costume! Each class will sing songs and dance for the presentation. Although our activities are limited during this event because of the Covid 19, let's try to enjoy and have fun. Keep safe

The children will continue to spell words, read/write sentences, vocabulary. In Science the children will learn about the Life Process.

Thank you again for your support and cooperation.

**Thank you,
Melanie**
