## **January 2022**

**Dear Parents and student,**

**I would like to welcome each of you today. I hope that you all had a great winter holiday. As we open the new year .I would like to thank everyone for coming on our last Christmas party. The kids did a wonderful job singing and dancing .**

**We will start the new year off, with a little cheer. Starting off with the MAME-MAKI or SETSUBUN. It is a Japanese tradition to welcome the new year by casting out bad misfortunes and sickness and welcoming the fortunes,good health,happiness,and all the positive feelings around.**

**We will also continue with all our lessons on the alphabets, colors,numbers , and shapes. And we will be doing more crafts.**

**This new year will be great we will learn so much and work so hard..**

**I can hardly wait !!!!!**
