

**Melon Class
February-Newsletter**

Dear Parents

The cold February is here. I hope you are keeping warm. Last month the children learned different countries flags and their cultures. I was happy to see all the kids trying their best.

This month we will have a very important event 'Mame-maki'. I can't wait to see you dressed with your mask throwing beans at devils. It must be so fun. The class theme for February will be Valentine's Day. Valentine's Day is a great time to show our family and friends that we love them and care about them.

To support our theme-

At school-

we will do lots of Valentine's Day related activities like arts and crafts .

At home-

Let's explain to our children about the Valentine's Day and February is the good time of the year to show people we care and make new friends.

Learning activities

Conversation- Talks related to Valentine's Day. We will try to narrate short stories.

Language- Reading and writing.

Phonics- Sounds of alphabets for example first word, last word, double consonant etc.

Math- Addition, Subtraction, Graphs, Halves etc

Social skill- Let's spread love and friendship everywhere. Learning how to appreciate the good things in our friends.
