2022-2023  
Newsletter

Dear Parents

Welcome to 2022-2023 school year of fun and learning. We are counting on you to make this your best year at Tokyo Hikarigaoka International Pre-school. For those of you returning to our school we are glad to have you back as you continue your journey to the graduation stage. For our new student who are just joining to our school we encourage you to make most of your time here.

Spring is the beginning of new things, which also means the new lessons in the Cherry class. As the first semester begins, we are going to learn new things starting from songs, alphabets, numbers, shapes and colors. We will also be doing crafts related to our months theme in order to develop the childrens imagination and motor skills.

This new semester will be great one! Rest assured that your child will learn all the basics that they need in order for them to communicate in English with their friends and teachers.

Sincerely yours,

**MS. BHABIE**
