We're so proud of our school
And everything about it

We're so proud of our school
Because it's made by you and me.
We're so proud of our school
Because it's made by you and me

We come to meet our friends here
And learn many things
To help us on our journey
Through this world we're living in
We try to work together
It's a place that we all share
We want to always try our best
At being kind and fair
