April 2022

Dear Parents,

Welcome to Grape Class, Reika, Kei, Tsumugi, Ema, Kako, and Emma. I hope they will be able to adjust themselves easily to a new environment and teacher. Let's all have fun and enjoy while learning.

Part of their lessons for this month will be reviewing the upper and lower case of the alphabet, recognize numbers, know the days of the week, months of the year and the four seasons. They will also learn phonics, the beginning, middle and ending consonant and vowels sounds, spell four letter words, read sentences, Math and Science

Another interesting activity we will have for the month, is "All About Me." The children will know each other's likes and dislikes in foods, fruits vegetables and many others.

Every morning, we will have sharing time, to let the children express their own ideas and feelings to improve their speaking ability.

This month we will celebrate Easter. The children will learn about Easter, decorate Easter eggs and do egg hunting at the park.

Each of the child will have sticker book. This will serve as a motivations for them to try their best in all aspects.

Please have your child bring their own colored pencils, extra clothes with their names on it.

I would like to say thank you in advance for the support and cooperation you will extend to Grape Class and to the school.

**Thank you,
Ms. Melanie**

Easter Day oh Easter Day

Let's go out to laugh and play

How I wonder what you bring

Lovely day at Spring.

Lovely feathers, funny things

Happy Easter little chicks

How I wonder what you bring

Lovely day at Spring

Easter Bunny on my way

Hardly eggs or halves of way

How I wonder what you bring

Lovely day at Spring

Rainy clouds go away

It's the time to sing and play

How I wonder what you bring

Lovely day at Spring

Yellow eggs and red and blue

Such a joy for me and you

How I wonder what you bring

Lovely Day at Spring

Easter Day oh Easter Day

Smiling face is on my way

How I wonder what you bring

Lovely day at Spring.
