

**APPLE CLASS  
2022 Newsletter**

**May**

Dear Parents and Children,

Welcome back from Spring break! I hope you had a wonderful holiday spending time with family and friends.

The month of May usually has pleasant weather, it is a good time for apple class to spend a day under the sun, and enjoy playing with friends!

It will be a busy month for us as we will have our Sports Day and do practicing our dance and exercise routines. I'm so excited to see the kids getting hype up!

We will continue to discuss our lessons in Phonics and counting numbers. We will do more tracing letters too. We also have a book to discuss, and it's entitled Carle's Eric Book Of Many Things that they will surely love. The Kids are doing their best in class and I'm so happy to see them having fun in study.

The month of May is where we celebrate Mother's Day. We want to express our gratitude and appreciation to all the great mothers out there. We are truly blessed and thankful for you. Happy Mother's Day!

Thank you so much for the support and cooperation. :)

Ms. Ange

Once I caught a fish alive.

Then I let it go again,

Why did you let it go?

Because it bit my finger so,

Which finger did it bite?

This little finger on my right.

### Mother's Day

I've got something special for Mother's  
Day

To thank you for the love that you give  
me everyday,

It's just a little heart, but it says all that I  
can say

And it's just for you on Mother's Day.

I've put my hands together, this is how I  
start

I curved my fingers around so they can  
make a heart

And I blow it like a kiss and I send your  
way,

And it's just for you on Mother's Day.

**HAPPY BIRTHDAY!**
