# June

Dear Parents,

It is almost the month of rainy days. We kindly remind everyone to bring an umbrella or raincoats during these days and Park time maybe lessen because of this weather.

The kids are getting used to the class, they behave and listen to the teacher. Their handwriting also got better and some of them can write their names. It's not tiresome to us every lunchtime, they prepare and eat by themselves. Please always remind your children that they are fantastic and did a very great job at school. Complements are the best way to boost their confidence.

We will have a Parent-teacher meeting on the 4th week (June 20th - 24th ). We will discuss many things about your child's development. Sign-up sheets will be available soon and we're going to display them on the front door, feel free to discuss and question us about your child. Thank you!

This month is a very special one for our Fathers, It's the month where we celebrate Fathers Day and we want to express our gratitude and appreciation to our super Daddies out there who are brave and awesome, As we celebrate this, we prepared a very special gift for them.

Thank you so much for the support and cooperation. :)

Ms. Ange

## Songs for June

### One little Finger

One little finger, (2x)  
Two little finger,  
Tap, tap, tap  
Point to the ceiling, point to the  
floor  
Put it on your head, Head!

(\* Point in any part of the body)

### Reach For The Sky

Clap your hands,  
Touch your toes,  
Turn around and  
Put your finger on your nose,  
Flap your arms,  
Jump up high,  
Wiggle your fingers and  
reach for the sky.

### Itsy Bitsy Spider

The itsy bitsy spider  
Climbed up the water spout  
Down came the rain  
And washed the spider out  
out came the sun  
and dried up all the rain  
So the itsy bitsy spider  
Climbed up the spout again
