

## November-Newsletter

I hope everyone had fun at the Halloween Party. I had a good time and I was very proud of the great dances and songs that Melon Class did! It is now November and the weather is getting cooler and cooler. This month our class theme will be Fall and Thanksgiving.

### To support our theme

**At school-**

We will do Fall and Thanksgiving crafts. We will also learn about seasonal food and vegetables.

**At home-**

Lets remind our children that there are so many things we should be thankful for, specially the food we eat. I often tell Melon Class at lunch, 'your mommy works hard to make delicious lunches so lets enjoy eating them'.

### November learning activities

**Conversation-** Simple conversation phrases and explaining why we like things.

**Languages-** Continuing with self-introductions. Everyday saying something we are thankful for. For example- I am thankful for farmers because they grew the food I am eating.

**Phonics-** Connecting sounds

**Math-** Writing numbers, counting, patterns.

**Social skill-** How to be confident and respectful students

Your co-operation towards my class and me appreciated as always.

Regards  
Ms.Chanchan
