February

Dear Parents and Children,

It's February! With the cold breeze of winter and kids are easy to catch a cold, so please stay warm all the time.

This month we will have our Mame -maki event on the 3rd day, and kids will make a craft.

Our theme for this month is love. It is where we celebrate Valentine's where the kids will wear red on the 14th, sing songs, recite a short poem, and make Valentine's cards on that day.

We will start our lesson by reading three words. Kids will learn to understand the sounds and blending of the letters, and also we will have a drill on reading the vowel-consonant as we did not have a class these past few days.

Let's stay safe and enjoy the winter time.

Thank you very much for the support and cooperation! :)

Ms. Ange

I love you

I love you, you love me
We're a happy family
With a great big hug
And a kiss from me to you
Won't you say you love, me
too?

I love you, you love me
We're best friends like friends
should be
With a great big hug
And a kiss from me to you
Won't you say you love, me

(Poem)

This is my hand.
My hand will do
A thousand loving things for you.
And you will remember
When I am tall,
That once my hand was just this
small.

HAPPY VALENTINES DAY!

The More we get together

The more we get together,
together, together
The more we get together, the
happier we'll be
'cause your friends are my friends
and my friends are your friends
The more we get together the
happier we'll be.
