June 2023

Dear Parents,

Thank you very much for your support and cooperation in our Sports Day. I hope you all had a wonderful time.

Rainy season is here! Our theme for this month is related to this season, it's about "Rainbow". The children will learn about "Rainbow" why and how the rainbow appears. Our little scientist will create and discover new colors by mixing different colors. They will learn about the Primary and Secondary colors. We will make craft related to this theme.

To make this rainy season more exciting, the Grape class will have Talent Show. Each child will perform his/her special talent. Please have your child wears suitable costume for the presentation. The Talent Show will be on June 23, 2023, Friday from 2:00 – 2:50 pm. You are invited to come and watch our Little Performers.

There will be Parents/Teachers Meeting from June 26-30, sign-in paper will be posted at the entrance of the school.

I would like to take this opportunity to greet all the fathers, A Happy Father's Day!

Thank you
Ms. Melanie

Singing In The Rain

*I'm singin' in the rain
Just singin' in the rain
the stormy clouds chase
Everyone from the place
What a glorious feelin'
I'm happy again.
I'm laughing at clouds
So dark up above
The sun's in my heart
And I'm ready for love.
I'm happy again...
I'm singin' and dancin' in the rain...*

*Come on with the rain
I've a smile on my face
I walk down the lane.
With a happy refrain
Just singin', singin in the rain.
Dancin' in the rain*

Catch a Rainbow

*When I put yellow paint on red
The color change to orange.
And mixing blue and red
I get a pretty shade of violet
Another trick that I have seen
Yellow and blue turn into Green.
There's a magic when my color mix*

Poem

Rain

*When the rain comes down
Drip drop, drip, drop
Boots in puddle,
Plip, plap, plip, plap
I wish the rain would never
stop, flip, flap, flip, flap
Drip, drop dirFlip, flap, flip, flap
Plip, plap, plip, plap*

Special Friend

*Daddy is my special friend
