

JUNE-NEWSLETTER

Dear parents

It's June, the weather is getting warmer and the rainy season is almost here.

I hope everyone is staying safe at home. Let's take all the precautions and stay healthy.

This month we will be exploring a new unit called community helpers. Think of the people who make our community a better place. They are policemen, doctors, teachers, firefighters etc. The people in professionals that deliver services that make our lives easier and better are called community helpers.

The objective of this unit is to –

1. Familiarized the children with the community helpers.
2. To excite an interest in a variety of professions.
3. To discover ways your children can currently help in the community.

We are going to have individual parent teacher meeting in this month. Sign-up sheets will be put up on the door.

Father's Day is also on June, let's take this opportunity to wish our dear father's 'Happy Father's Day'.

Your child is doing a wonderful job. Please make it a point to encourage them everyday.

Your cooperation and help is always appreciated.

Best regards
Ms. Chandrima

I have a joy joy joy joy down to my toes, down to my toes, down to my toes; I have a joy joy joy joy down to my toes, down to my toes to stay.

I have a joy joy joy joy all over me, all over me, all over me; I have a joy joy joy joy all over me to stay.
