

CHERRY CLASS NEWSLETTER

JULY 2023

Dear parents,

We would like to thank the parents who give us time and effort in attending the PTA meeting, it was nice to talk with you about your children. Our Cherry Class had improved a lot since day one.

This month is the beginning of Japan's hottest summer. We will have the children to play on our kiddie pool to cool down and beat the summer heat.

We kindly ask the parent to bring swimsuit, towel and change clothes.

We will continue our lesson in alphabet, shapes, numbers, and colors and we will also do a few review about the things we learned this semester. We are going to make a creative Tanabata Craft as we celebrate its day. The Tanabata is one of Japan's Tradition wherein we get to write our wishes on a paper and hang it on a bamboo branch. We are also going to make summer craft. Kids will enjoy this activity.

We also advise everyone to drink a lot of water this summer to keep hydrated and cool.

Thank you,

Ms. Bhabie
