

OCTOBER 2023

Newsletter

Dear Parent,

Fall is here! It is a great time to get outside and enjoy time with kids. The color of the trees, pumpkins and weather are perfect topics to discuss with.

“October” The month we have all been waiting for.

Everyone is excited for we are going to celebrate the annual Halloween parade. Everybody can wear their favorite costume and character. The children will give a little presentation for the event. Trick or treats will follow the most awaited part of the events.

We will continue with our lessons with alphabet, numbers, shapes, and colors and do some craft.

We would like to welcome our new friend in Cherry class Aoi.

Let's learn and play English together

Thank you

Ms. Bhabie
