MARCH 2024

Dear parent`s

This is the last month for this school year and soon some Cherry kids will be moving up to Apple Class and some will go to Japan public preschool. We are much honored to be a part of your child early education. Thank you for trusting T.H.I.P.S.

In Apple Class they will be learning new and fun things and speak more English with friend. Before they move up to Apple Class, we still have few more weeks to enjoy learning English together. We will finish our last Alphabet for this month and review all the numbers, colors, shape and alphabet that we have studied. We will also be doing the crafts to make this month. This month will be very busy, for we will practice for a simple presentation (a song and dance) for the graduation ceremony please don't miss it.

We would like to welcome our friends in Cherry Sota and Yuuna let have fun and enjoy learning English together.

Thank you

Ms Bhabie

THE CHERRY BLOSSOMS TREE

Under the spreading cherry blossoms tree

We are sitting you and me

Oh! how happy we will be

Under the spreading cherry blossoms tree

Sally Go Round the Sun

Sally go round the sun,
Sally go round the moon,
Sally go round the chimney-top
Every afternoon.
