

APPLE CLASS 2024 Newsletter

May

Dear Parents and Children,

Hello! Welcome back from your Golden Week break. I hope you had a great time with your loved ones. This month of May is known for its pleasant weather, making it perfect for Apple class to enjoy some outdoor activities with friends.

We have a lot planned for this busy month, including Sports Day and practicing our dance and exercise routines. I can't wait to see the kids getting excited and involved!

In class, we will continue to focus on Phonics and counting numbers. We will also practice tracing letters and writing their names. We have an exciting book to discuss called Carle's Eric Book Of Many Things, which I'm sure they will love. The kids are doing a great job in class and seem to be enjoying their studies.

I also welcome our new friends in Apple Class, Itta and Karen. Welcome! Let's have fun and enjoy learning English together!

May is also the month when we celebrate Mother's Day. We want to take this opportunity to express our gratitude and appreciation to all the mothers out there. We are truly blessed and thankful for you. Happy Mother's Day! Thank you so much for the support and cooperation. :)

Ms. Ange

Because it bit my finger so,

Which finger did it bite?

This little finger on my right.
