

The background of the entire page is a light pink color, decorated with several large, stylized orange pumpkins and white ghost silhouettes with two black dots for eyes. The pumpkins are scattered across the page, and the ghosts are also scattered, some appearing as simple shapes and others as jack-o'-lanterns.

October

Dear Parents,

We had a fantastic turnout at our School Fun Day at DisneySea, and I want to extend my heartfelt thanks to everyone who joined us. The event was filled with unforgettable moments, and we all had an incredible time.

As October begins, we are starting to experience a refreshing cool breeze outside, signaling the arrival of autumn. We are eagerly anticipating the beautiful transformation of the leaves as they change color throughout the month.

Looking ahead, we have an exciting event planned for this month - the Halloween Parade on the 25th. The children are fully engaged in practicing their songs and dance routines for the parade. The Apple class is buzzing with excitement as they look forward to showcasing their favorite costumes. I am personally looking forward to seeing their creativity and enthusiasm on display.

In our educational endeavors, we will continue our lessons on Phonics and Numbers, focusing on helping the children grasp the concept of opposite words. It's delightful to witness the gradual progress as the kids begin to recognize and remember the sounds of different letters. Embracing the spirit of the season, our thematic focus for this month will revolve around Halloween. We have planned engaging activities such as crafting, designing invitation cards, and creating personalized trick-or-treating bags to further enrich the learning experience for the children.

Thank you so much for the support and cooperation. :)

Ms. Ange
