

# APPLE CLASS 2025 Newsletter MAY

Dear Parents,

Welcome back from Spring Break!

I hope everyone had a lovely time spending their spring break with their friends and family--I can't wait to hear everyone's stories about how fun their spring break was!

The month of May always entails pleasant weather, so it's a perfect opportunity for apple class to play with their friends under the sun! We will be busy preparing for Sports Day, so we will practice our Hawaiian dance and exercise routines. I am looking forward to having great school days with all of you.

We will continue our lessons in letters, phonics, and numbers for this month. We will now be learning how to count from 1 to 30 and practice more on tracing letters and numbers. Apple Class has been working very hard and doing their best in class, and I am so proud of everyone! I am very happy to see everyone grow individually and understand more of the English language.

And of course, another wonderful occasion to celebrate this month is Mother's Day! We would like to extend our deepest gratitude and appreciation to all the great mothers out there. Your children are growing up as kind, smart, and wonderful kids and it's a HUGE thanks to you! All of your hard work and dedication do not go unnoticed. We wish you all a Happy Mother's Day!

Ms. Nissi

# SONGS FOR MAY

## Sometimes Mom Says

Sometimes Mom says, "Don't do this"  
Sometimes Mom says, "Don't do that!"  
Still she loves me, yes I know  
Why? Because she tells me so  
Sometimes Mom says "Let's do this"  
Sometimes Mom says "Kiss Kiss Kiss!"

## If You're Happy and you Know it

If you're happy and you know it,  
Clap your hands.  
If you're happy and you know it,  
Clap your hands.  
If you're happy and you know it,  
Then your face will surely show it.  
If you're happy and you know it,  
Clap your hands.

## Jack and Jill

Jack and Jill went up the hill  
To fetch a pail of water.  
Jack fell down and broke his crown,  
And Jill came tumbling after.

## Hokey Pokey

You put your right foot in, you take your right  
foot out, you put your right foot in and you  
shake it all about. You do the hokey pokey  
and you turn yourself around. That's what  
it's all about.

You put your left foot in, you take your left  
foot out, you put your left foot in and you  
shake it all about. You do the hokey pokey  
and you turn yourself around. That's what  
it's all about.
