

MELON CLASS (JULY-2025)

Dear parents

It's summer and we're almost to the end of this semester. Before it's too hot, let's enjoy the beginning of summer by having different interesting school activities.

All the children are trying their best to learn English and different activities. Please extend your full-hearted appreciation and encouragement to them.

Themes for the month

Safety will be the focus of our next unit. We will be learning about safety at school, at home and indoors. Through this unit, the children will also become aware of traffic lights and the importance.

At school

A few activities planned for this unit include

- 1 Taking a safety walk to practise crossing street.
- 2 Counting the number of traffic signs that are in our school's neighbourhood.

At home

Please help your child to become aware of the purpose and colour of the traffic lights.

During your daily routines, share safety tips with your child.

This month we will celebrate the Star Festival. The children will decorate the bamboo tree and hang their wish on it.

By the last day, please take home your child's cap, indoor shoes and extra clothes.

Well, I wish everyone 'A Wonderful and Safe Summer Vacation'.

Have lots of fun and take good care.

Best wishes
Ms. Chanchan

Songs and Chants

Safety bells (sung to Jingle Bells)

Safety belts ,safety bells, wear them all the way
Every time you are in the car every night and day oh,
Safety belts,safety belts wear them round you lap
Then before you start to ride everybody snap.

Rain

Rain on the grass, rain on the tree
Rain on the rooftops but not on me.
Rain on the grass, rain on the trees
Rain on the window, but not on me.

We are safe (sung to Mulberry Bush)

This is the way that we are safe, we are safe ,we are safe
This is the way we are safe
Everyday of the year.
This is the way we cross the street
Look left then right, left then right
This is the way we cross the street
Look left then right for safety.
This is the way we ride in a car
Sit up straight ,buckle your belt.
This is the way we ride in the car
Buckle your belt for safety.

Twinkle twinkle traffic light (sung to twinkle,twinkle little star)

Twinkle, twinkle, traffic light
Shinning at the corner bright.
Red means stop, green means go,
Yellow in the middle means you better go slow.
Twinkle, twinkle traffic lights shining at the corner bright.
