

# APPLE CLASS 2025 Newsletter OCTOBER

Dear Parents,

It's October! We're starting to feel a little bit of the cool breeze which signals the start of the Autumn season. Let's watch as the leaves change colors to red, yellow, orange, and brown!

We are going to have an exciting event this month--our Halloween Parade on the 31<sup>st</sup>! Kids will be a bit busy as they practice their songs and dances. Apple class is so excited to wear their favorite costumes. I can't wait to see them!

For this month, we will continue our lessons on Phonics and numbers, focusing more on Beginning Sounds and Opposite Words. It's delightful to witness the steady progress of Apple Class as they slowly recognize and remember the sounds of different letters. A gentle reminder as well to help and encourage your child to do our weekly homework as it will greatly benefit them in writing and remembering what we have studied.

Embracing the spirit of the season, our thematic focus for this month will be Halloween. We have planned many engaging activities such as crafting, designing invitation cards, and more.

Thank you so much for your continued support. :)

Ms. Nissi

# SONGS FOR OCTOBER

## Can't Stop The Feeling

**Trolls Movie**

I got this feelin' inside my bones  
It goes electric, wavey when I turn it on  
All through my city, all through my home  
We're flyin' up, no ceilin', when we in our zone

[Refrain]

I got that sunshine in my pocket, got that good soul in my feet  
I feel that hot blood in my body when it drops (Ooh)  
I can't take my eyes up off it, movin' so phenomenally  
Room on lock, the way we rock it, so don't stop

[Pre-Chorus]

And under the lights when everything goes  
Nowhere to hide when I'm gettin' you close  
When we move, well, you already know  
So just imagine (Just imagine, just imagine)

[Chorus]

Nothin' I can see but you  
When you dance, dance, dance  
A feelin' good, good, creepin' up on you  
So just dance, dance, dance, come on  
All those things I shouldn't do  
But you dance, dance, dance  
And ain't nobody leavin' soon  
So keep dancin'
