October 2025

Dear Parents,

I would like to say thank you to all of you for spending your time with us. We hope you had a great time watching our little story tellers and our Hawaiian performers. Congratulations to Grape class for a well job done. It was a great performance!

It's October! This month we will have an exciting event, "Halloween Parade". This is the event wherein everyone can enjoy not only the children but the parents as well. I know the children are looking forward to having this event. They are excited to wear their favorite costumes and go for trick or treating. We are also encouraging the parents to wear costumes.

At Halloween Parade the Melon Class and Grape class will have join performance. They will sing Halloween songs and dances.

This month the children will continue to spell words, read/write sentences, vocabulary, Mathematics, addition/subtractions and Science. We will continue in Science the study of the "Earth and Space"

Thank you again for your support and cooperation.

**Thank you,
Ms. Melanie**
