## NEWSLETTER MAY 2026

**Dear Parents,**

**I hope everyone is happy the days are getting sunnier and warmer ! Let's say goodbye to the cold days !**

**In this second month of this school year, I can tell children in Cherry Class are already learning very fast, that's impressive ! They are curious and eager to learn new words.**

**This month, we will continue to learn the letters of the alphabet, the shapes, and we will also start learning the numbers. As we usually do, this will be accompanied by songs, activities such as coloring and connecting, and also crafting.**

**May is the month of Mother's Day and also THIPS Sports Day, which means we'll have a lot of fun ! We will give the parents more information for sports day on a specific sheet.**

**We hope everyone is ready for this new month, please do your best and let's keep on learning English !**

**Ms Elise and Ms Maki.**
