## 2026

Dear parents,

We hope everyone is doing well as the hot and humid days are now here.

July is the month where Summer School starts, but before enjoying these fun days out in the sun, let's continue learning English and work hard!

This month, we will further develop children's knowledges of the ABCs, numbers, and will begin learning about animals. They will explore these topics through crafts, coloring, tracing, connecting and even singing.

Note from Ms Elise : This is now my last month as a teacher at this school. I would like to thank the teachers and all the parents for trusting me to take care of the children in the Cherry Class and every other kids at the school. I am truly grateful for you support and kindness, I am going to miss you so much!

Ms Elise, Ms Aimi and Ms Maki.

SONGS

Little Bo Beep

Little Bo-Peep has lost her sheep,  
And can't tell where to find them;  
Leave them alone, and they'll come home,  
Bringing their tails behind them.

The incy-wincy spider

The incy-wincy spider climbed up the waterspout  
Down came the rain and washed the spider out  
Out came the sun and dried up all the rain  
And the incy-wincy spider climbed up the spout  
again.
