October 2026

Dear Parents,

I would like to say a heartfelt thank you to all of you for taking the time to join us. We hope you had a wonderful time watching our little storytellers and our Hawaiian performers. A special congratulations to Karen and Mikoto for a well job done. It was a truly fantastic performance!

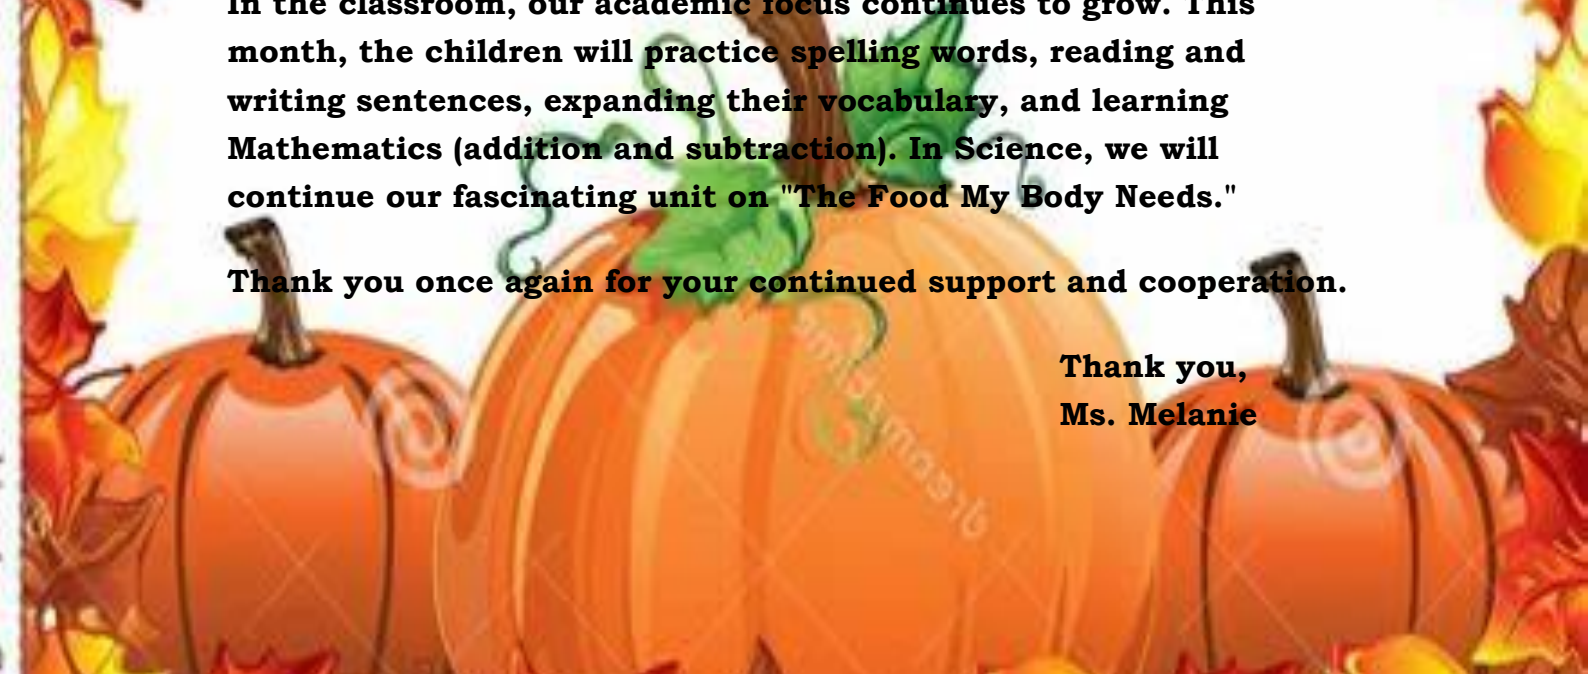

It's October, and we have many exciting events lined up this month, including our Fun Day at Kidzania and the Halloween Parade! These are special events where everyone—not just the children—can enjoy and make wonderful memories. I know the children are eagerly looking forward to these activities, and we strongly encourage parents to wear costumes and join in the fun with us. I know the children are looking forward to these events. We are encouraging the parents to wear costumes and have fun with us.

For the Halloween Parade, the Melon Class and Grape Class will be putting on a joint performance. They have been practicing hard to sing Halloween songs and dance together.

In the classroom, our academic focus continues to grow. This month, the children will practice spelling words, reading and writing sentences, expanding their vocabulary, and learning Mathematics (addition and subtraction). In Science, we will continue our fascinating unit on "The Food My Body Needs."

Thank you once again for your continued support and cooperation.

**Thank you,
Ms. Melanie**
