November 2026

Dear Parents,

The Halloween Parade was a great success, and we sincerely thank you for your cooperation and support. It was wonderful to see everyone come together to celebrate this fun event.

I know that everyone enjoyed the festivities, and I want to extend my gratitude to all the children for their enthusiastic participation. Excellent job, children! Your efforts and creativity truly shined through.

This month, we will be celebrating Thanksgiving Day. The children will have the opportunity to prepare a Thanksgiving dinner plate, which they are excited about. Please kindly check our wish lists.

In our upcoming lessons, the children will continue working on spelling words and will focus on learning diphthong sound. Additionally, they explore topics related to Natural and Non-Natural in Science, as well as concepts in Mathematic and Contractions. We aim to make learning engaging and interactive during this period.

Please note that there will be individual parents/teacher meetings scheduled from November 16th to 20th. A sign-up sheet will be posted at the entrance of the school. We encourage you to reserve a time to discuss your child's progress or any questions you may have.
Thank you once again for ongoing support and cooperation.

Best regards,
Ms. Melanie
